

## Steam and Moorland

Steam & Moorland is a family-run business which opened in 2001 to serve the people of Ryedale by providing all their gardening goods. We have expanded to include the Machinery Centre and our "Engine Shed" Restaurant and we are now delighted to welcome locals, day trippers and tourists to our newly expanded premises. Our mission is to provide exceptional service, quality goods and value for money.

### "Engine Shed" Restaurant

We are enormously proud of our light and airy restaurant which opened in Easter 2015. We aim to provide good food at sensible prices. Other garden centres 'paved the way' and people expect that a Garden Centre can cater for large numbers whilst providing wholesome and reasonably priced food.

The "Engine Shed" Restaurant boasts -

- Under-floor heating - environmentally friendly - run off ground-source.
- Wheelchair and disabled facilities
- Model railway and free wifi - for the kids!
- Huge South-facing balcony
- Outdoor children's Play Area
- Comfortably seats 150 indoors, and 50 outdoors.
- Licensed Restaurant and Seasonal Menus

### Garden Centre

Our Garden Centre opened in 2001 and since then we have expanded to offer a great range of sheds, greenhouses, pots, seeds, aquatics, composts, giftware, outdoor clothing and footwear, BBQs, tools, garden furniture, toys, indoor and outdoor plants and ALL your gardening requirements.

### Machinery Centre
